Observations and photographs

As part of our commitment to provide for the individual needs of your child we will observe all areas of development, and in partnership with you, record progress in those areas to plan appropriate activities within the nursery.

These observations and records will be available for inspectorate by CSSIW (Care and Social Services Inspectorate Wales) otherwise they will be confidential and available only to you and those nursery staff involved in planning for your child.

Any photographs taken of your child by nursery staff or childcare students may be used in nursery displays but will not be taken off the premises.

Name of child:.....

Date of Birth:.....

- I do/do not give permission for nursery staff and childcare students to observe my child as described above
- I do/do not give permission for photographs of my child to be displayed in the nursery
- I agree/do not agree to my child being photographed and named in the press and on publicity materials

Signed:..... Relationship to child:.....

Date:.....

As part of the planning, the nursery will arrange local visits and walks to support children’s knowledge, understanding and experiences.

For your child to take part in such activities we require written permission from their parent(s).

Little Einstein’s is committed to ensuring that all children are fully protected from dangers of too much sun.

As part of our sun care policy children will always have sun cream applied before going outside in the sun and at frequent intervals during the day

Sun cream WILL NOT be provided by the nursery
